

Dear Friend of NSCAC:

I am writing to you today to ask for your support and assistance. The National Society of the Children of the American Colonists trains young people to be leaders while developing an appreciation for American History. These children are future members of NSDAC and NSSAC, as well as future citizens of our country.

Membership dues in CAC barely pay for our operating expenses; however, we have a way that you can help contribute. It is through becoming a Life Promoter for only \$100. Our Life Promoters are honored at our NSCAC breakfast meeting in April as well as at our General Assembly in June. They receive a lifetime subscription to the NSCAC Newsletter *The Colonial Herald*. And, they receive a unique numbered pin. Each pin consists of an enameled bar with a star on top. They are light blue for women and dark red for men and may be worn as a sash pin or on the lapel. They may be presented as gifts as well.

All proceeds from our Life Promoter funds are kept in a separate account that is used for special projects of the Society. A recent example is the much-needed digitization of our applications.

Please fill out the form below and send it back today with your check. Thank you for your support.

Sincerely,

Kimberly Nagy, MD
